MISSION:

\$VETT's mission is to provide continuous support to Veterans by leveraging blockchain technology.

The project is committed to making a meaningful impact on the lives of Veterans through monthly strategic charitable donations, voted by the \$VETT community.

IMPACT:

- **Direct Charitable Contributions:** \$VETT enables direct, impactful contributions to Veteran charities each month, addressing their unique needs and challenges. All donations will be announced to the community every month.
- **Community Involvement:** By actively participating in VETT, the community becomes a driving force in supporting Veterans, fostering a sense of shared responsibility. Community members will be the voice of \$VETT and vote by poll on which Veteran charity to donate to each month.

\$VETT Tokenomics:

The Veteran Token (\$VETT) will launch with a total supply of 100,000,000 tokens.

VETT was created to benefit Veterans through charitable donations, as well as reward those who HODL the token!

2% from every buy and sell is distributed as BNB rewards to those who HODL! All rewards are distributed automatically with no human interaction. The more \$VETT you HODL, the larger your reward!

Key Features:

VETT allocates 1% from each buy and sell transaction to a dedicated charity wallet, ensuring direct contributions to Veteran charities.

Additionally, 2% buy tax and sell tax are allocated to marketing, enhancing stability, visibility, and community engagement.

Charity Wallet

The heart of VETT, the charity wallet receives 1% from each buy and sell transaction and will be donated each month!

Liquidity

The project ensures liquidity by allocating 1% buy and sell tax to LP, fostering a stable and sustainable environment.

Stability

Liquidity will be locked for a minimum of 6 months, with plans to lock indefinitely!

Marketing

With 2% buy and sell tax directed to the marketing wallet, VETT aims to enhance visibility and Awareness to the community.

Transparency

VETT ensures transparency in fund allocation and disbursement through the blockchain, building trust among contributors and beneficiaries.

Management

Funds in the charity wallet will be managed by a dedicated team and subject to regular audits to ensure transparency and effectiveness..
